PBVM's and Laudato Si...Sister Rosemary McKean participated in a Zoom conference with Sister Lois Green from Newfoundland. Lois led a group of PBVM Sisters and Associates representing different groups across the world. She is in Ballygriffin at this time. The topic was *Laudato Si' Week* which laid out the seven-year plan of Pope Francis for implementing seven goals for saving the planet and lifting people out of poverty worldwide. Lois presented marvelous Power Point slides making it all very clear.

She will be sending the slides to the participants. When these are available, more information as to our community's participation will be sent to you.
