

Justice Endeavors

International Presentation Women - San Francisco

By Sister Pat Davis

May 2022

We are in a pivotal time. The next decade will determine the future of our planet and our global family. If we choose well, we may be able to rebuild before it is too late.

- Vandana Shiva

Cards of Mercy Project...The Restorative Justice Ministry Department of the Archdiocese of San Francisco invited elementary and high school students as well as others involved in this ministry to create cards for the 850 inmates in the San Francisco County jails at the Hall of Justice and in San Bruno. Another 50 cards were specially designated for the guards and staff. The goal was to show a light of hope, giving assurance to people behind bars that they are not alone. Sister Ellen took part in this project.

International Day of Families...May 15th and the days around it will be trying to increase knowledge of the social, economic and demographic processes affecting families in today's world. Watch for ways you might be able to get involved via computer to contact our local and national law makers to create more support.

All Faiths Build 2022...On May 21st, our local Habitat for Humanity is having a special all-day event that welcomes volunteers of all faiths to help build eight new affordable homes at 36 Amber Drive, Diamond Heights in San Francisco. They have had a wonderful response from other faith-based groups for the actual building with the families who will receive the homes. Sisters Virginia Espinal, Sylvia and Mère will represent PBVM and serve coffee and doughnuts and help with lunch. Thank you for representing all of us!
